To Whom It May Concern:

Google Inc. is pleased to let you know that Muhammad Umair successfully completed the Google Summer of Code™ 2011 program, which was administered from our Corporate Headquarters at 1600 Amphitheatre Parkway, Mountain View, CA 94043. Muhammad Umair developed open source software with our sponsorship for "Drizzle". The Drizzle project is building a database optimized for Cloud and Internet scale applications.

Muhammad Umair worked as an open source developer for 40 hours per week, beginning May 23, 2011 and ending on August 24, 2011. For this employment he will paid a rate of \$5000 for the entirety of the project. More information on Umair's project can be found at:

http://socghop.appspot.com/gsoc/project/google/gsoc2011/m_umair/11001

Should you require any further information, please do not hesitate to contact me via email at carols@google.com. If you need to confirm via phone, please email me to arrange a mutually convenient time to speak.

Cheers,

A handwritten signature in black ink, appearing to read "Carol Smith".
